EXPERIENCE

Monmouth University | West Long Branch, NJ — *Tutor/Lab Assistant*

September 2017 - PRESENT

Tutors assist computer science and information technology students on a walk-in basis with a variety of subjects including: Microsoft Excel, Microsoft Access, Java programming, object-oriented development practices, and algorithmic development.

Lab Assistants aid the professor inside the classroom, facilitating classroom work-flow, and providing one-on-one support for students during work periods.

Spinning Designs | Wall, NJ — *Programming Intern*

February 2019 - PRESENT

Responsible for programming light patterns and colors in plinko signs and game wheels. I create custom designs and delays according to the specifications of clients/marketing and update old code to use modern algorithms and RGB effects.

Brick Memorial High School | Brick, NJ — *Marching Band Instructor*

August 2016 - PRESENT

Ensemble instructor responsible for defining how the group moves and maintaining the consistency of instruction across a 3-5 person staff. As a group, we teach choreography and motion using modern teaching tools to create an engaging and hands-on environment.

EDUCATION
